“ *Dear Dennis and Chris, Sue, Craig, Cody and Andrew:*

We lost a SPECIAL LADY in our family. Yet, we are elated she is now with "HER" Jack.

I will treasure the memories - our many private chats, camping with your folks at BethPage, shopping (especially with Craig and Ryan as tots), just spending time together in our young, less money days - we made the BEST tomato sandwiches for lunch. Carol is an awesome mother, a wonderful grandma, a good friend and a great sister-in-law.

We pray that God's blessings are with you now and that you feel His Loving, Caring Arms holding you as you travel this path of healing. Don and I are here for you. Thank you for sharing your mom with us and our family!

I grew up with Carol from the time we were 15 through High School, you couldn't have asked for a better friend or person. In my heart I will miss her every day. We kepted in touch all these years. I know she loved her family dearly. May God give comfort to all of you at this sad time

“ *Dennis, Chris and family....*

So very sorry for the loss of your mother. No matter how old we get, it's not an easy thing to see the strongest women(our mothers) we ever knew our whole lives, fall ill and not able to recover.

I will always have wonderful memories of your mother, from growing up, to the conversations we shared while I went

through her line at Giant. Carol always had a smile on her face and made others do the same.

If there's anything you need or my family could do for you, please do not hesitate.

I hope you find peace knowing that your mother and father are together again.
