“ *Your mother was a wonderful person. Both my husband and I had the pleasure of working with her for many years. I always enjoyed her visits to my office. Often we spoke of work issues but a lot our talks revolved around her children and her friends. She was so very proud of all of you.*

*My thoughts and prayers are with all of you during this sorrowful time.*

“ *Carolie and I worked at the EOD Technology Division and she and I met at the AFGE Union office located on base. I got to know Carolie through in a union capacity. She was a very nice and caring person. My condolences to her family during this time.*
