“ *I miss you so much Mom. This has been the worst year of my life. I'd never thought that I would lose you and my husband John in the same year. How I wish that you had answer the phone that day I called. Because now I'll never hear your voice again. I love you Mom forever and always. Until I see you again.*

“ Mom, there is a tremendous void in my heart knowing you’re no longer here. I will miss you terribly as we all will. Dad is so lost without you, we are trying the best we can to comfort him and to be here for him. I know that you are with the lord and we will see you again, knowing that gives me comfort. You’re the best mother that anyone would have asked for. Until we meet again in heaven mom. I love you
