“ Cathy and I worked together. We shared a closeness and talked about many things, including family, work and life. We shared laughs over many holiday parties, work meetings and before the pandemic, catching up after work. Cathy was truly a "DIAMOND." Always ready to meet goals. Her reassuring spirit always left me with the confidence that things would get done on time and thoroughly completed. What I know about Cathy, is the way she was at work, she was the at home...dedicated to the mission! She will be missed. Sincerely Kimberly Smith
