“ *Thoughts and prayers going out to your family. So very sorry for your loss and the challenges that you are currently navigating. Only fond memories of Chuck and My dad enjoying time together. Most memorable would be the drinks they shared on the MS Zaandam and the smiles they had on their faces while "trying" to get to dinner ;).*

*Again, so very sorry for your loss :(*

“ *I am so incredibly sorry for the Anderson family's loss. My thoughts and prayers are with the entire family during their time of grief and thereafter. His mother Diane and I have been friends for almost 5 decades, so I've known Charlie since he was born and he was always very kind and polite. He truly was a gentle soul, and will be missed by all. My heart breaks for his son Thomas who will now grow up without his loving father. May God provide you all with strength peace and comfort at this time. Much love always, Judy*
