“ As a child I saw "Uncle Charlie" at family gatherings and regular trips to the farm. Those times that I saw him at the farm, he was usually outside enjoying his land and the work that came with it. He always took the time to gently rib me and then say something nice.

I remember Uncle Charlie as a man with a sharp wit and a great sense of humor- his comments and "comebacks" always made those around him laugh- including me.

As an adult I did not see him very often, but I knew that he was a hard worker, a successful businessman, and loved and valued his family.

My prayers are with those closest to Charlie- that they comfort one another in this time of mourning. Surely Charlie would want all to live their lives as fully as he lived his.

“ I want to express my deep sadness of the passing of Uncle Charlie (lovingly known to us as Uncle Buck) . I will miss his sense of humor, and all the jokes he would tell us. While growing up I enjoyed talking to Him about our shared passion for Fishing & Hunting. I appreciated his advice in landscaping. Later in life He turned his interest to vegetable gardening at the family farm. I know his immediate family will miss him, and I will too. The farm will not be the same without him.
