“ I would like to express my condolences to the family and friends of Mr. Simms. Our Heavenly Father knows the pain we feel when we lose someone and promises to be with us in times of sadness. (Psalm 34:15-18) I hope you will find comfort in His promise and in the many wonderful memories you all made and shared together.

The Levering and Rafer families treasure our long friendship with Bill and the Simms family. Our memories go back a long way, and we hope the memories you have provide the strength needed during this difficult time. As always, Bill was a competitor to the end, whether playing athletics, cheering on his girls, or working to beat his illness. He was the winner in the end, having the love of family to support him through it all. Love and peace to Bill and the lovely Simms ladies and families. - Bonnie, Bruce, Betty, Brandy and Carrie.

I was so sorry to hear about Bill's passing. He had kept us informed about his "fight" with this disease. He had such an upbeat, courageous attitude in dealing with it. He, Jack Brockdorff, and Steve Brooks were my 3 buddies when in high school. I felt they always "had my back." Bill was back then and continued to be one of the kindest men I knew. I love/d all three of them. I will be praying for his wife and daughters and rest of family over the next few weeks. Bill had a strong faith, and I know he is celebrating his new, glorified, cancer-free body. I will see him again some day! Betty Jo Hicks - Romans 8:28

It's always sad to lose a friend. Will always remember him as one of the kindest guys from Jr. and Sr. High School. Thoughts and prayers to his family.
