“ Just found this and wanted to send my condolences. I knew Danny through my sister, Marlene. I really enjoyed his guitar playing and his sense of humor. I will always cherish the time when a Tom Petty concert was on TV and he picked up his guitar and started playing and I sang as best I could. I am saddened by the news of his passing, but I can imagine him entertaining with his guitar in Heaven. Rest In Peace Danny! 🕊️🎸

“ Danny was my brother from another mother. We met in high school and played in a few bands around Oxon Hill. In 1973, we both moved to New Orleans and made some brief musical history! Danny returned to Maryland, I stayed in NOLA. Through the years, we stayed in touch and made music together when we could. Danny was an original member of Magic Rhythm Band in the mid-70's. I joined MRB in late 1980, long after Danny had left the group. He loved his family, music and friends. He was generous. You'll always be in my heart, dear friend. My deepest condolences go out to his family and to those friends who felt like family. Special thanks to Charlotte Miller who kept me up to date from November through February. Rest in peace. 💔

“ *My early memories of Danny revolve around summer vacation in Rison at the “Farm.” That yearly pilgrimage was the highlight of the summer for Jack, Beth, and me - we got to spend a whole week with our cousins Aunts, Uncles and grandparents. There were almost daily trips down to the creek to swim. And riding the horse named Davey was not to be missed. The Whirligig kept Charlotte and Danny spinning. And we always had room for Grandmother Springston’s peach cobbler.*

Nights meant sleeping on cots on the front porch. One year we were entertained with “Pioneer” stories told by Great Uncle Edgar. (Of course, the pioneers were Grandad and Uncle Edgar.)

Looking back, I realize we were surrounded by loving family. It was the best of times. I’m looking forward to once more being in Maryland on the 23rd and bidding Danny a final farewell.

*Love to you all.

“ *RIP, Danny. Thanks for taking care of my dog, and also for helping out with my Mom and Dad. The dog was one of your biggest fans, once she got used to you cranking up the volume on your electric guitar. Although you never quite believed it, you were one of the smartest men that I ever met. You'll be greatly missed!*
