

Charles David Stinnett

July 9, 1953 - November 19, 2021

Mr. Charles David Stinnett, 68 passed away peacefully at his home on Orphans Loss Farm November 19th, 2021. David Stinnett was born July 9th 1953 in La Plata, MD. He was the son of the late Eugene Ernest Stinnett and Ruth Virginia Rison.

David Stinnett is survived by his wife of 35 years Jacqueline Marie Stinnett, married June 7th 1986. He is also survived by his son Steven M. Stinnett 47 and daughter-in-law Caylin Stinnett. David had three grandchildren. The oldest David Stinnett 18, Ian Stinnett 13 and Clara Jane Stinnett 11. Charles David Stinnett had two siblings, Edward Eugene Stinnett and the late Alice Stinnett. David had two nieces and a nephew from his siblings as well as one great -niece and two great-nephews.

David is also survived by countless friends and coworkers.

If Steven could describe his father in one word it would be “devoted.” David Stinnett was devoted to his family. He was a loving son, husband, father, brother and grandfather. David raised his son Steven on Orphans Loss Farm. Many years were spent just the two of them navigating through the woods and figuring out life together. David loved hunting, fishing and shooting and just enjoying nature’s beauty. He always looked forward to his son and grandsons coming to hunt on Orphan’s Loss Farm.

Steven and his family have suffered a great loss. Steven will cherish every moment spent with his father from sharing a bunk bed at the farm house to gutting deer with three generations of Stinnett men. He wasn’t just a father to Steven, he was his best-friend and rock!

Per David’s wishes, there will not be a service. Instead, his family and close friends have chosen to celebrate his life the way David would have wanted, together sharing past stories of good times.

“ Hard to pick just one memory of Uncle David! If you ever saw it finger you might know his mama told him NOT to put his finger in that rabbit cage!!

I enjoyed the banter between the two brothers.

Eddie something stink in' in the backfields, it's black and white skunk in a box maybe?

Eddie responds hmp that's Denise's dead rooster. Hahahaha. Keep your memories coming. Helps heal the heavy heart ❤️

“ David and I started working together October 1995 in Blossom Point. Together we made an excellent team, always knowing the next steps without having to say anything. Even outside of work, we enjoyed time on his farm with the grandkids rabbit hunting. Dave was a genuine person and will be truly missed.
