“ *My heart is broken to find that my Uncle Charlie has passed away. You were my part time dad for the first 7 years of my life. We spoke every Sunday morning, and I will cherish them forever. I always told you I love you at the end of chat and how much you mean to me. Remember I was your caddy when you went golfing, that was to give Aunt Magda a break, I know, I remember we went to the ocean and we picked up at least 300 shark teeth and we took them home, I was Soo proud of them. The times we spent at the Friendly over the years. My vacations were always with you and Aunt Magda my second mom.*

*I will always love you Uncle Charlie, I know you are now in heaven together with my 2nd mom. My tears won't stop, but I will always remember the life you have to me.*

*With much sorrow*
