“ Aunt Pee Wee,

We will all miss you so very much. The boys can't stop talking about you. We walked past gingerbread houses in Walmart the other night and they said they wanted to make one for you, since you always would buy them for us to make every Christmas. We will miss you at holidays, birthdays and family gatherings, but we will always feel your love and presence. You will always be with us. Thank you for the kindness, love and patience you have shown all of us. You were a true Angel on earth and now you are God's Angel in Heaven. We love you more than words can describe.

*Love always,
Katie, Hubie, Jordan and Josh*
