“ *For 46 years I've watched my mom care for everyone around her. She often sacrificed her own wants and needs for her family and others. She was the sitter for nieces, nephews, cousins and grandkids. She cared for her mother when she was unable to care for herself. She was the person on the other end of the phone that you could vent to or get advice of some kind from. The void with out her is felt deeply by many of us. She was taken far too soon for all of us. I just know that my team of guardian angels just got a lot stronger! RIP Mom Love you always* ❤️

Cindy will be truly missed and always loved. She was always there for me as her sister-in-law and babysat T.J. as a baby often she gave me rides to work. She picked me up from work and she was truly a selfless individual everyone around her nose. She was an angel , and she will be incredibly missed My condolences to everyone in the family, as I know what a great loss this is.
