

Colette Jane Dodson Delwiche

September 10, 1954 - October 7, 2024

On October 7, 2024, Colette Jane Delwiche, born September 10, 1954, of La Plata, MD, gained her wings. Colette Delwiche is survived by her husband Raymond A. Delwiche and their children, Catherine Sidbury, Becky Rosamond, Eric Delwiche, Shawn Adams, Willie Delwiche, Julie Smoot, Shannon Fowler, David Delwiche, Rachel Hill and Andrew Delwiche. She is also survived by her sisters Cheryl France (Jim France) and Melinda Boyd. In addition to, 39 grandchildren and 4 great grandchildren. She is predeceased by her parents, Donald Dodson and Joan Dodson, her brother, Arlen Dodson, and her sister Darlene Dodson.

Colette grew up in Clinton, MD, always surrounded by family. Most may not know she was the eldest of 5 and there were always family get togethers and reasons to hang out and play with cousins and extended family. Colette graduated from Surrattsville High School. She attended beauty school and was the local hairdresser and Avon lady for many. If you needed jewelry for a function coming up, she was the one you went to. If you needed an eyeshadow to match your outfit, she had it. Colette was an avid Star Trek watcher and even enjoyed going on a Star Trek cruise where she was able to meet several actors. Colette absolutely loved music and her go to's were The Moody Blues, The Outlaws, Eagles and many more that she sang to.

Colette's life was filled with everything teal, not to mention her famous teal clip

board that she wrote everything down on. Her organization was unrivaled as we all know how she was with her “Hallmark list”. She even had things planned for her own repass as she had the teal cups and silverware in a box and labeled.

Colette and Ray took pride in helping to raise their granddaughter, Josephine and their great grandson, Eli. Whom we all know is the apple of their eye. Although Eli was not of age yet, Colette had him learning his colors, numbers and alphabet. He was an official graduate of “Nana University”.

The family would like to thank you all for your prayers, calls, visits, food and concern at this difficult time. So, in the words of Colette, we gotta “put your big girl panties on and deal with it”.

“ *Collette was a class ahead of me in High School. We were together in Surratts Singers in her Senior year, my Junior year. She was a good singer and a great person. She was well loved by her classmates. She also did costumes for the "Brigadoon" musical that year, go figure, right? She was always known for that great smile of hers. My condolences and prayers that the Good Lord will watch over her large family and many descendants, whom will preserve her legacy and memory. I lost track of her after HS, but can only imagine that she continued to be a blessing to all who knew her.* ”

I am so sorry for your loss. Collette went to both junior high and high school with me. I wish I had known she loved here in LaPlata because I do too and would have loved to have been in touch with her. She was always full of energy, kind, and had a smile on her face. The world was a better place with her in it.
