

Connie Marie Sams

May 9, 1978 - December 3, 2020

Connie Marie Sams, age 42, passed away December 3rd due to congestive heart failure. She was born May 9th, 1978 in La Plata, Maryland to Karen and Steve Sams. Her life was a shining example of “Be kind and help others.” Her kindness was always on display, and transitioned into her career in childcare where she earned multiple accolades, certifications and senior positions. In her presence, you always felt her kindness as she made an effort to make you feel important and cared for. Her caring and motherly nature stems from her first love, her son Kyle, but in his passing she continued to care for all children and people as if they were her own. Her favorite pass-time was listening to music and socializing, as she always tried to spread laughter and joy when in a crowded room. She will be deeply missed by all who had the pleasure of knowing her.

“ Connie Marie Sams was my best friend since we were little kids. And we stayed best friends for over 30yrs. Connie always knew what kind of day i was having before i even told her. We have shared plenty and plenty of laughs, tears, talks, you name it we knew each other to the "T"..i dont have just one special memory i can go on and on all day with me and connies special memories. I still cant believe she has gone to heaven at such a early age. I know she missed her son Kyle she didn't like talking about his passing to heaven to often but i know now shes back with her son, out of pain, and i know she will be one of my guardian angels... Connie you know my NANA will take care of you and when you see her you tell her i love her so very much. My mom and my NANA excepted connie as a part of my family. She was always included in our family events and gatherings. Connie i love you friend and i already miss you .. Fly high my angel, you will be thought of everyday. Im so glad you got to come see me and jims new spot just a couple days ago, and i got to give you a big hug. Love you girl, youll always be my best friend. Till we meet again. Love you 😍😍

“ Karen, Buddy, Steve, Rusty, Stevie. & Keith, I am so sorry for your loss. Just know that myself & lots of others are here at anytime you may need to talk or yell out at us. I loved Connie as if she were my own. I never got to be around her much as she got older, but when we did see each other, we knew each other never lost our love for each other. Connie was a beautiful young lady inside & out. Always treated me with respect. Fly high Connie. I forever love you. Rest In Peace my love. Aunt Crazy Carol Sams Murphy.

PM

“ This is sooooo sad. She was too young. My memories of her are mostly when she was little. Connie always had a smile and a full throated laugh for everyone whenever I saw her. She was always Intense at whatever she did, whether it was playing a game or reading a book. Connie trailed after her brothers at what ever they were doing, never seeming to mind that she couldn't talk them into letting her decide on the next childhood adventure. I wish that I could have known the woman she became.

“ There are SO many memories that I have of Connie. Funny, crazy, angry, sad... you name it.

One particular memory... we were both sitting around discussing life's issues. My son has just passed and I knew she would understand more than anyone else. So we sat and laughed. Then we cried. Then we got angry and cussed a few people out (even though they weren't there...lol). I'm so heartbroken that she's gone but I'm SO happy that she was a part of my life.
