“ *My memories of my nephew C.P. are those of a loving, caring, thoughtful, positive person. i could go on and on. I experienced this when he called every other Sunday and when i visited them in Maryland. My most cherished memory was the last visit to Ohio this past year in 2019. He, his wife, Emma, his daughter Michelle and her son, Stephan, stayed on our campus, it was like a reunion with the Gyuras family - his sisters and their families, and my niece, Joan, who all came to play games after we went out to lunch. The last day was a Pizza party. What a celebration!*

“ *I have many memories of my times with my cousin, C.P. However, one of my memories that I cherish are those days at the Lake home in Poland, Ohio where we spent many summers coking, laughing, playing cards and just enjoying his presence with my brother and all the others who came to visit. Also, another cherished memory was their last visit yo Ohio in 2019 where his sisters and their families came to celebrate with us.*

“ I loved all the family time we shared in Virginia, Maryland, and Ohio. CP made a mean daiquiri, of which I drank a few of those while playing our board/ card games. Our times coming to Maryland were the best vacations. Then you and the family coming back to Ohio for visits were fun times. Was so happy to be able to visit in Ohio with you all. CP you were the best brother a sister could have you were my rock at many times, always there to lend a shoulder to cry on if needed. You will be so missed by all. Till we meet again love you always.
