“ I remember Connie from high school, we were best friends. We had lots of great times together. Anyone who has known her knew how kindle, caring and loving she was. Her smile would light up a room. Family all ways came first with her. To me she was a great lady to have known. I will miss her deeply. She will always be remembered because her passing was on New Years day.

My heart goes out to the Campbell sister's. Stay close, my prayers are with each of you. Connie has a special place in your hearts keep her safe all ways.
