“ I taught with Connie many years at Martin Luther King. Connie and I were two years apart in age She was born in Feb. of 1938 and I was born in Jan. 1940. We celebrated our birthdays after we retired with lunch at Columbia Mall. We enjoyed Christmas together at our principal Bette Lewis`s home until we could no longer handle the steps to the party. She was such a sweet person and she will be greatly missed. Janice Flatter

“*Connie was a very dear person, always with a smile, a kind thought and a generous heart. These are just some of the reasons she was loved by many at King. Kept safe in my heart are so many special memories of her. We will miss her and her gentle spirit.*

Yes, as Debbie shared, Connie's kindness was real and you could feel it and see it when she smiled at you. I am grateful for the time I had at King with Connie, her beautiful spirit has never been forgotten and will always be held dear to me.
