“ I don't think anyone checks this anymore, but as my 16th and a half birthday slips by, I don't know what I'll do this year for our birthday, I've been missing you more now then ever, im feel sick to my stomach, no more holidays with you, no more stupid jokes or laying together on grandma's bed. I don't know how to exist without my birthday buddy, the last time we spoke you told me you were proud of me. I've lost my ability to do most things and I'm stipp trying to understand why you had to leave us. I love you uncle Craig.
