“ I can honestly say that Crystal's love for her son was undeniable. Through her 14 years as his Mother she loved him with all her kind heart and sweet soul. She was so proud of him and everything he accomplished. I am sure he will always have good memories of her because he knows in his heart how much she loved him! RIP love Mommaw Bays

“ Crystal was such a sweet girl and so much fun to be around. I enjoyed spending time with her when I was at the house. I'll never forget our "Bingo" night! She had Lorie and I laughing the entire time. I know she will be missed. Many blessings to her family, especially her son.
