“ *My dear Aunt Cynthia shall be missed so much. I shall always remember her easy laughter and unusual sens of humor. I always enjoyed being around both her and Uncle Johnnie, her dearest beloved and one of my older male cousins who provided me with a wonderful role model. Thank you Aunt Cynthia for your kindness and the words of encouragement, rest in peace my Dear One, rest in peace.*

“ Aunt Cynthia I'm so sad at the things we never got to say or do but so very blessed that you never forgot me. Until now there was always time. I've taken for granted your dry jokes, your bossiness, your Peter Pan syndrome, your sandwich making, your singing a random song every five minutes. You are one of a kind. And because of that I won't ever forget u.

“*What moves through us is a silence, a quiet sadness, a longing for one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say goodbye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget*”
Love you, Elaina

“ *I have so many favorite memories of Mama... I have to say my absolute favorite was when she came to visit when her great grandson was born. She had visited CA before and wanted to go down to Pier 39 again. She was so adamant to find the man that sketched the pictures of her, my mom, my sister, and I. Which was more then 20 years ago.(If you have been to my grandparents house you know what sketches I'm talking about.) She had us walking all around Pier 39 looking for that man. That was a fun yet memorable moment.*

*I love and miss you dearly Mama

She was my mentor, my confidante. She was my dearest friend and will be truly missed but never forgotten

So my beloved friend, let your spirit soar high and "fling your arms wide in the face of the sun, dance and whirl till the quick day is done, then rest at pale evening beneath a tall slim tree"

You are loved, you are at peace, and you are with God!

I'm always going to remember you as a woman with style and fashion. Every time I saw you, your hair was always beautified or you were in your favorite store TJmaxx. May your beauty continue to shine within the hearts of your love ones.
