“ *I met Danny when we were 12 years old. We did everything together: served papers, delivered groceries, bowled, rode bikes and best of all were best friends. This friendship grew even more after we both got married and our wives became great friends also. Over the years we visited each other and got in a lot of pinochle and talking about our many children and grandchildren. Even after serious illnesses hit both families, we kept in touch by phone and never missed sharing thoughts on special occasions. We will miss you greatly my dear and loving friend.*

“ So many memories with Dan, or Dano, as I sometimes called him. He was like a brother to me. He was always interested in what was happening in my family. Always ready & willing to work on our cars!! We had some good times together, no matter where or when. He will be greatly missed by us and so many others who ever met him. Rest in Peace, my friend.
