“ I am truly saddened by the news of Danny. We unfortunately hadn't seen each other in years, but he was one of my best friends and I thought of him often. To his Mom and family, I'm no longer in the area, and very regretful I couldn't be there. I'll miss him so much. I wish all of you the best - you are in my thoughts, and Danny will forever be in my heart. Don't hesitate to get in touch if you ever need to.

“ I remember how Danny loved those little pullback toy cars in the 80's. I think they were named Stompers. He and Tim got them for Christmas.

“ *I am so sorry to hear about Danny's passing. I know Linda's heart is broken. I loved him like a son. Danny and John have been friends for 30 years. I am so sad!  
At least he is not in pain either physical or emotional any more.*
