“ *Uncle David, you were always the one to make everyone laugh you had such a big personality that was enough to put a smile on anyone's face. You had a way of talking to people and you would never judge, you were a go with the flow kind of guy. I remember how happy you would make my dad when you came to get him to go play his favorite card game Poker.. You will be missed but never forgotten you have left a imprint in my heart for forever and always!*

“ Uncle David could always put a smile on your face and make you laugh. My girls and I will never forget his greeting " Hello Darlin or Hello Sweetheart " I do not ever remember hearing a negative come from his lips. He was a very caring and loving person. He will be missed dearly on earth and will bring a new glow to the Heavens above.
