“ *worked with dave for years at first choice body shop. he was always fun and loved to have a ggod time at work. he was the entertainment for sure and when he retired the place just wasnt the same.alot quieter for sure.sometimes we would laugh so hard it would take our breath. his nick name was "uncle dave" he seemed to be the most excited at christmas time. he would yell out "uncle bert needs a shirt" and on real hot humid days he would yell out "one hundred" for the temperature.he was never to busy to stop and help someone in the shop.we truly loved him, ray moxley*

“ *Dave was family to us and he will be greatly missed. Had so many good times together celebrating holidays, going to Myrtle Beach, and going to car shows. You live on in our hearts and memories Dave and we know you are with God now and we will see you again one day. Love you and Debbie, and the rest of the family.*
