Dave used to come to the Senior Center to exercise. Sometimes he would just stop in to say HI. I think he liked talking more than exercising. My condolences to the family.

“ Steve Allen had often told me many stories about his good friend, and outstanding detective when Steve had been his Detective Sergeant in Homicide of the Metro DC Police Dept. Then Dave retired and following Steve came to work at the Charles County Sheriff's Office as a civilian. I instantly liked Dave the moment Steve introduced me to him and Steve me. We became very close and constantly kidded with each other. Dave was one of those very unique guys who are characters, a bit wild in his joke playing and one who tormented those senior to him who were idiots, full of themselves, or incompetent until they moved to another area to escape. But Dave was a dogged investigator in Metro DC's homicide unit with an excellent case closure. Once Dave became you friend it was for life and he would always be there for you. I truly came to love Dave and regret that distance keeps me from standing with him on his final journey on our earth, but I will be there in spirit and love for my brother Dave and his family.
