“ *I spent my childhood with David and we had a great bond growing up. We always looked up to David as he was so much more mature than the rest of us. He always seemed to be the rock among our group. He always had the right thing to say to us all that kept us out of trouble. I'm so saddened by losing him. I feel we've lost one of the good guys. It will be my pleasure to see you again in heaven David.*

*Forever your friend, RIP
Greg Horton.*

“ I am very devastated that my friend that I've known since I was 8 years old has passed away. I can remember many many memories of my friend David Herrell..even after I was here in colorado for 15 years we still remained the best of friends through telephone conversations till the wee hours of the morning at times...he was always very full of good advice and always made me smile no matter what... And his smile was amazing too I'm going to miss that smile and I'm going to miss those telephone conversations and I'm going to miss my friend... Always on my mind and forever in my heart you will be... There will never be another Avalon Shores crew like we were... You ..me..lil kenny...mark...tony...kevin...billy and trish...homies forever baby. ...rest in peace my dear friend
