“ *David was one of the kindest gentlemen that I have ever known. I watched his farm for many years while Susie and him went on their hiking journeys, his biggest concern was that Susie had a great trip and had no worries over her beloved babies care. We had secret codes in case there was a problem so he could sneak away to call me so Susie wouldn't stress. He was a wonderful man, and I am very glad that I was considered his friend. I will miss David and Susie forever.*
