“ *Dave was an amazing person. No matter what, he always had a smile and never would hint at anything being wrong or out of place. He could bring you up when you were down, and did not care how long it took. I loved speaking with him when he would visit the Union Hall. He will always be in our hearts and memories. May all of your memories and thoughts of Dave help to make your sorrow a little easier. My thoughts and prayers are with the entire family in this time of sorrow. Until we meet again, Brother, may your rest in peace.*
