“ We are very sorry to hear of Dean's passing. He was a very quiet and courteous boy. We are the last of the original owners of homes his dad and his partner built in Sun Valley. Too many of our young people here have passed already. He and his family are in our thoughts and prayers. Great family.

“ I grew up with Dean when as kids and worked for his father. I have many good memories of the family. Unfortunately, I spent many years in the military and lost contact. My condolences go out to his family. He was a very kind individual and friend. May the Lord Jesus Christ bless his family! - Craig Smyser
