Debbie my love.

God's most beautiful creation, who blessed me with 49 years, 6 months and 3 weeks of marriage. The sorrow of every day, brings the joy of being one day closer to joining you again. I love you to the moon and back. You made my dreams come true. You are the love of my life.

Your loving husband

“ I love you Miss. Debbie with all my heart. I will never forget about you and I will always talk about you to Anjelina, Luca, and Caralee. I will never forget about you, I'm really gonna miss coming over in the summer time and watching the womens usa soccer team play and destroy everyone. I'm going to miss sitting at the pool with you. I'm gonna miss you blowing me a kiss and you saying "Goodbye my love." I'm really gonna try my best to stay strong for Mr. Louie because he really misses you and I know it hurts him more than anyone. I'm still waiting for you to give me a sign and I'm still waiting for you to come into my dreams, I just need to see you one more time. I'm gonna miss you so much you were my only friend, well my only best friend! Until we meet again one day, and when we do meet again I'm gonna run up to you and give you the biggest hug and kiss ever. Thank you for all the memories I'm really gonna miss you at my soccer and basketball games.

This is how I look at what happened....

"She now flies with butterflies" and now I know anytime I see a butterfly it's you, goodbye Miss. Debbie I love you so much!
