*I was Ron Cunningham's assistant during the time Debi was VP and then principal at John Hanson. I will never forget Debi's kindness and her enthusiasm making and giving us in the office of school administration Christmas wreaths each year. She personalized each one and I enjoy hanging her wreaths in my home. Each year, I always think of her and offer my condolences to her family. She was kind, funny, and always respectful and considerate. One of the best!*

“ So many good memories.....Christmas parties at her home.....cooking crabs at her home.....and laughing so hard as we did mandated MSA data at school. Putting together her Outstanding Vice-Principal portfolio was something that she loved. It remained on her credenza as a Principal. Debi loved her family so much. We shared the missing if our dads. She always called Tony "her man". And just last April, we enjoyed each other's company at a dear friend's daughter's wedding where Mary Ann and her children helped to make some more memories. I just talked with Debi last Wednesday. It doesn't seem real Deb will be missed by many. But know she is with her parents and now an angel watching over her children and friends! Xoxo

I will miss her a lot as her former student. She was a great Vice Principal. Once I moved on the High School she became principal. I really miss her a lot. She was a wonderful person always smiling and laughing but always knew when to be serious. Ms. Hile RIP and see you soon.

“ I was a student of Debi's at Benjamin Stoddert Middle School back in the early 80's. Her art class was my favorite class and she was my favorite teacher! She also became a close family friend! She was the kind of person you loved to have around! She was always smiling. We lost touch over the years but reconnected through Facebook 2 years ago. She was no longer my teacher. She became a friend. I could talk to her about anything. She always had encouraging words of wisdom. She made me feel like I had a purpose. We also came to realize that we both had a love for the show *The Golden Girls*. Every time I watch it I will think of her. She was one of the very best friends I've ever had! She was taken too soon! I still have so much I want to say to her. My heart is heavy with grief and she will forever be missed! I have one last thing to say to her. In the words of the *Golden Girls*...."Thank you for being a friend" and may you rest in peace. Love Ya! Christine (Hill)

“ When Debi was the Vice Principal at Stoddert Middle School, my son was in her office a few times. When he wouldn't open up to anyone else, she had a knack for getting him to talk. She would call me "Mom to Mom" and fill me in on happenings at school. She gave my son a chance to grow and I never forgot that. Later, as Principal of John Hanson Middle School (where I worked), she gave me a chance to switch teaching positions because she saw an opportunity for me to grow in my career. That's the type of person Debi was - encouraging of others to be the best they could be. You will be truly missed!
