“ I met Debbie about 25 years ago when she worked at a toning table place. She would sit and talk with me while I used the tables. I knew right away that Debbie was a people person and very close to her family. She told me about her life, her kids, and her entire family. She let me know she has some good looking brothers. Debbie was my friend before we became family. If I had not met Debbie I would not have my two beautiful children. Debbie was in my wedding, she provided day care to my daughter Chelsey, she even went on my honeymoon with me. We had some great times together. I am so thankful our paths crossed. The entire family should find comfort in knowing that Debbie knew she was loved by all of you. I love you Debbie and will hang onto my memories until we meet again. Rest in Pease.
