“ I remember Denise more through the family and kids she left behind. I only spent just a few times visiting with her. I know her family much better. She left behind some great kids and I ask you to keep them and her family in your thoughts and prayers. Her son Will is one of my valued employees and works really hard. Carli has worked for us in multiple food truck events. She provides great customer service and can do anything she sets her mind to. Anthony and Daniel are such fun boys and really make you smile on your worst day. It is such a loss that someone so young doesn't get to see all the big moments to come in her children's lives.

“ I've loved you like my own daughter since you were born. I've enjoyed our trips to the beach, camping, chilling at the pool, or just hanging watching tv. My heart can't stop hurting knowing you are gone. I'll look after the babies and make sure they know they are loved just as much as I loved you. Love Aunt Rita
