“ *I just got the news of Denise's passing. I'm so sorry. She did our taxes for years and I'll never forget the endless accumulation of family photos and kids drawings. What a brave and wonderful lady. Again, I'm sorry for your loss. Vicki Rath*

“ *To the family of Denise,  
She did our taxes for many years, after her mom stopped doing them...Even though we only saw her once a year, it was like ol' home week, we talked of our families & she always made us laugh! She had a way of saying exactly what she thought! God bless her soul! She will be missed!

“ I was so sad to hear about Denise's passing. She was a beautiful person who seemed to light up the room with laughter. I hadn't seen her for many years so it was so nice to be able to talk to her recently at the Baden firehouse banquet last October. I'm sure it was a huge effort for her to be there. She will be surely missed in the little town of Baden. My prayers go out to her family and friends. Connie Boswell and family

“ To the Family,  
  
I am so very sorry for your loss. Although the years have separated us, she was never far from my thoughts. Best friends from junior high and through our senior year, she will always be in my heart. I will always have the fond memories of our time as roommates after our senior year, even though she was drawn back home after a few short months. I know she suffered and hope she is now at peace.
