“ *Dear Paul and family, I will miss my friend, Denise, from our days working together at the Chas Co Humane Society. Although we eventually grew apart, I'll always remember our shared experiences. It seems that the good people are taken too soon. Denise was an especially good person.*

“ Paul, Ann and I are so deeply saddened with Denise passing. You and your family are in our thoughts and prayers. I prayed for her daily but some times Gods plan is not what we pray for. I know she is with God now. Denise was very precious to us. May God bless and comfort you.

*Paul....we are so sorry about the passing of beautiful Denise! I will never forget watching her out in the congregation when Steve and I were on Chiquita's worship team in what is now the Dome. Denise would be crying and holding her hands up in worship to her Lord and it used to make me feel so much more connected in worship. Like I said in the group texts...we DID have an angel living among us! She was always the sweetest person! We loved her and we love you. Please do not hesitate to call on us for anything. We are here for you. Love, Brenda*

“ *Paul, I'm so very sorry to hear this news. You guys opened your home up for our Bible Study to meet there and enjoy your pool and you were both so welcoming and even invited back or to stop by if we were in the area. Mike has been a great Friend for many years and his Sister was a great Lady. My prayers for all of you will continue. GOD's grace, comfort, and peace be yours.*

“ I was so honored to know this beautiful soul since childhood and to really connect with her later in life. It was a privilege to be with her through her battle and to see her strength her faith and her love for others through it all. Never a thought for herself. Only for Paul. For me. And for anybody she knew. Anyone who knew Denise was blessed. There is only sadness because we don't have her here but so much peace knowing she is with her Lord. And knowing she knew where she was going if He decided it was time. Rest In Peace dear sister until we see you again in Glory.

“ *Paul, we are so sorry for your loss. She was an amazing person who could light up a room by simply entering it, and could make anyone feel welcome. We feel blessed to have known her...Jake couldn't have had a better extra mom. It warms our hearts to know that she's walking the streets of heaven.*
