“ So sorry about Denny's passing. That morning will weigh heavily on our hearts. Denny was a good friend and fishing partner. Denny and Susie are close friends and neighbors of ours. Denny shared his hot Rock fishing spot with us, and we caught many rockfish there with him. Fish On, Buddy !!!!! Condolences and Prayers to the family.

“ My Good Friend Denny, I met Denny in about 1983 when my Dad bought a summer cottage on Neale Sound. Just 2 doors down from Denny at his grandparents house we surely became great friends quickly. We were always comparing who caught the most crabs in the pots to fishing off the pier for bait, One memorable journey to the mouth of Neale Sound to go soft crabbing, my brother Woody, Denny and myself ran into a run of hard crabs on top of the water. It was like someone turned bushels of crabs over for us to catch. All three of us tried to catch the crabs and all three of us ended up in the sound up to about 5 feet deep and we didnt catch a one.....but we had a great time.
I will miss his funny jokes and his smile and had good times talking fish talk but am very grateful he was a christian as he read his bible often and I will miss my good friend.

“GONE FISHING”

We looked upon Denny as our brother-in-law. Denny was a kind man with a big heart who was exceptionally funny. (He always had us laughing.) We will miss everything about him. Our thoughts and prayers are with our sister Susie and all of Denny's family. Catch the biggest fish and rest peacefully our friend!

“ I met Denny when I was maybe 6...my crazy "uncle" down at the cottage! Always a good time and plenty of fish stories and memories to share. He was an extension via neighbors to my family and I will miss him.
