“ An amazing man. I only had the pleasure of knowing in recent years, and he is memorable; his wit and ease was comforting to be around. A man who worked a lot; although in retirement years, he wasn't retired, in fact he remained up to date on heavy equipment maintenance and troubleshooting (quite interesting and amazing for anyone). We shared a ride together last year to the OBX which is a fond memory. You are missed, my friend. ><> ><> David
