“ *It is unfortunate that the Covid-19 restrictions will not allow the hundreds, maybe thousands, of folks who loved Diane to be able to pay their final respects. Diane was such a special person who will be missed by many. We will be in spirit with her at 10 a.m. on Wednesday, July 8, for her send-off to Heaven to claim her Angel's wings. Oh, what a beautiful Angel. Our thoughts and prayers are with Diane's family at this difficult time. With our deepest condolences and love, The Harry Sanders family*

“ There are never any words that can truly ease the pain when a loved one is lost. This is especially true with Diane's passing because everyone that knew her is in pain. She was the most caring and kind person I have ever met. She loved her family, she loved her friends, and she loved her life. To the family, especially Bill and BJ, Ann Marie and I extend our deepest condolences. Even though we can't be there with you physically, know that you are in our hearts.

“ My heart is hurting for you all. Everything in the obituary is so true. She welcomed me in like a fifth child of her's when I met De in high school. She was the best and the memories I have of her will last a lifetime. I wish I could be there with you all. Know that I'm praying for the family through this week and in the months to come. Hug dad tight each day, he is gonna need you girls and BJ for sure. Love you all!!
