“ *Diani was such a beautiful and kind soul. One of the first people I met when I worked at MOMS. I love her free-spirit and her beautiful smile could make anyone’s day. She was always so knowledgeable and willing to lend a helping hand when I was learning wellness. I will always be glad to have crossed paths with such a wonderful friend and person. may she rest in love and light. My condolences to all of her loved ones.* ☐ 🙏

“ We had the pleasure of watching you grow up your first few years and it brought us great joy and delight as you are Donte’s only child. You used to come over all the time and I think Aunt Fefe’s was your favorite girl! I remember when you got hurt and she was the one you were looking forward to seeing the most. Ahma bought you those COGIC dresses with the hats to match and she just had to see you in every single one of them. I remember you as a sweet, adorable, and funny baby girl and we’ll cherish the memories we have forever. Your mom did a wonderful job raising you and we are truly grateful for that! Keisha, we are thinking of you and praying for God’s comfort during this difficult time and beyond.

“ We grew up together practically as siblings instead of aunt and niece and I’m glad I got to witness you grow into the amazing adult that you are. From helping you learn to drive & helping you get ready for your high school dances, to the spa days you would have with your cousin and the talks we would have when it came to discovering your path into adulthood - we have so many memories and I’m forever grateful of the 2+ decades I got to share with you. Life can be so unexpected and we don’t always have an explanation for why things happen the way they do, but know that your presence is still felt and cherished and you are forever loved by the people who were there to experience your joy.

“ Diani drank this **WHOLE** jug of eggnog the first day that the seasonal items came in (Waldorf MOMs). She walked in with a jug and I asked if she had insulin because that was a **LOT** of nog. She smiled **REALLY** big, and said “My love, I just restocked **YESTERDAY**. I’m drinking this right now”. She laughed so hard it almost came out of her nose so I snapped a picture. Your radiant smile will live on forever Diani. Ive even been calling my friends ‘my love’ since that day ❤️
