“ *When I was a first year "plebe" at the U S Naval Academy, my parents went overseas with the U S State Department. Thank goodness I had wonderful family nearby in Waldorf, Maryland. My aunt De and uncle "Mac" and my cousin Michael came to visit me several times in Annapolis. We went "crabbing" on the river, out at hospital point. They also took me to their house for Thanksgiving that year. I definitely looked forward to every vist from Dolores and Mac and Michael. They made that first year much more bearable! I love you Dee.*
