“ *My grandfather passed away last Friday. I have never met a better man. He was kind, selfless, caring, compassionate & strong. He always had amazing stories from his life that I enjoyed listening to for hours whenever I could. You are missed but, I know I will see you again! He's the only real father figure I've had. Love you Grandpa! - Timothy Bragg*

“ A couple of weeks ago I had the privilege of meeting Mr. Don Crawford. It was a time I won't forget. Mr. Crawford was quit-witted and had many tales to tell. After visiting with him I realized this was a man who Loved his wife and family. He will be sorely missed.

“ To the best father, grandfather and great grandfather. You brought love and enormous laughter to all who met you. You never met a stranger just someone who hadn't heard your tales or shared theirs yet. You leave a large hole in our lives and I hope we fill it with laughter, stories and love in equal measure.
