I knew Donald from our visits to my brother who was Donald's housemate for many years. On every visit we enjoyed his company and the happiness he brought to the room. He will be missed by all of us, I'm sorry for your loss.

Donald came through the doors at Spring Dell Center in June of 1985. From the minute he came to SDC to the day he left he was always full of energy. He always greeted each person he saw with a bright smile and would not let you by until you said hello. Donald has been a part of my world for 31 years. He will be greatly missed. The Angels will be blessed by taking care of his soul.
