“ Steve and Family - our hearts go out to you during this sad time. We'll always remember our visit with you and Donna in your new home. Not much furnishings yet, but plenty of love you shared with each other and with us. Donna was so kind to shell those crabs for us all during dinner. May she rest in peace. Cousin Ray & Eileen

“ Words seem inadequate to express the sadness we feel about Donna's death. She was truly the most caring and sweetest person I've ever known. She will be missed more than I think she even knew.

Death leaves a heartache no one can heal, love leaves a memory no one can steal.
