“ *Our heartfelt condolences to the Brown family and close relatives. Our county is blessed to have had a visionary and pioneer in our midst. Because of Mrs. Brown, I have had the pleasure of working in a public library environment-which I simply love for the past six years.*

“ I did not have the pleasure of meeting Dorothy but I have heard about Dot Brown from many of the Charles County Public Library staff over the years. We are indebted to her for starting the first library in Waldorf. She will be remembered by many of the library staff.

“ Sue, Robyn and Sally,  
A little bit of old Waldorf has gone with your mother. She was so much a part of our growing up, even into the later years. She always had a smile and a kind word or laugh for you. My thoughts are with the family. *Bobbie Howard Bridgett*

“ *I am so very sorry to hear of Mrs. Brown's passing. We have truly lost a lovely lady. I have known her and her family forever and Mrs. Brown was one of the nicest ladies I have known. She was so friendly and always had a smile for you. My thoughts and prayers are with Susan and the family during this really sad time.*
