This has been a very difficult time for all of us. We are saddened by the passing of our mother. She now is resting peacefully beside our father. Your presence helped. Thank you for your thoughtful and kind card, memory of condolence, beautiful floral arrangement, and the holy sacrifice of the mass in her loving memory. Your words were not only a comfort, but a source of strength for our entire family, to lighten our burden. We are all so grateful for your friendship and to have had to enjoy your company and hear your lovely memories. We appreciate your kind support and beautiful symbol of remembrance to our mother. Thank you. "Dot" is forever in all our hearts. The Kaloz Family

“ Growing up with Cori, I had the pleasure of knowing Grandma Kaloz. I remember her beautiful smile and loving nature. Although I was not family, I certainly felt like I was when Grandma Kaloz was there.

To Cori, Keleigh, Arnie, and the entire Kaloz family, I send my love.

For A Mother Who Means So Much,,,"The happiest families are those that share the precious gift of love" Every family needs someone with your kind of love,,,a love that always remembers the important occasions, that knows how to help in tough situations, that helps keep us together in so many ways,,,to just say, Thank You Mom, just doesn't seem enough,,,

"Mom" loved both you and Gary as much as she loved her own family. I remember Gary made her smile so much and laugh during one of her hospital stays late at night. But, she was always a "night owl". Much loving thoughts goes out to you both!

A rose candle for Mom Kaloz who had the beauty of a rose...inside and out. I hold onto precious memories of times together and oh so many wonderful girl chats. Loved her so very much. My heart aches and goes out to the wonderful family and friends at this difficult time, yet I rejoice knowing she is with Dad and so many other loved ones - in an awesome place where we shall meet again.
