“ Bob, randy, Becky and Kathleen,

*On November 11, I lost a wonderful friend, who I shall miss more than you will ever know. We shared more than 30 years of a wonderful friendship. We both loved antiques and often shopped together, touching everything in the store at least twice. We also shared a "left over dinner" the day after Christmas every year with other loved ones. Nita and I had a lot of good times together and many, many laughs.*

*Bob and family, Wayne and I want you to know we are praying for you and your family during this period of mourning and sadness. We dearly loved Nita and her loss is also our loss.*

“ Nita was a wonderful and best friend. She was kind, loving, a good listener and talker too. We shared many, many hours together especially on our shopping trips. We laughed together a lot and shed some tears too. Even though I didn't get to see her often, I miss her now just knowing she is not still here, but there is comfort in knowing she will greet us all when we arrive in heaven. Love you Nita.

“ For too many years to count our extended families always had a Memorial Day get together for a meal at one of our houses on Saturday and the other's house on Sunday. Nita always had a hot fudge cake for dessert which everyone always looked forward to. Everyone licked their bowls clean, adults included. We always made an effort to hide that from her. RIP.
