“ I was very saddened by the news of the passing of Dorothy. My memories are of her sitting on the sofa looking out and enjoying the view of the beach and ocean.

“ My heart aches for Dorothy's family and friends. My family was so close growing up together. She was my sister-in-law and taught me so much about life and things we can be strong and handle. She loved her family and friends unconditionally. She will be miss in this physical life but we will all remember things she said and taught us. May God walk with you on the sad journey. It is another chapter in your lives. Dianne Gardiner Wiley

“ I always enjoyed seeing Dorothy when she would visit Sandy & my brother. She was a special lady, a wonderful baker and seamstress. Back when Cabbage Patch Kids were popular, they were sold out that Christmas so Dorothy made one for my daughter from Santa. She had such talent and a very generous spirit. I will always remember that Christmas. Dorothy, you were special and I know you are rejoicing in Heaven this day.
