“*Dotti was an angel, a most precious sister-in-law; cheerful, heartening. She came all the way to St. Louis only last October for the funeral of her brother, Bill, and I am heart-broken and sad I cannot be there to honor her. But Darla will, and Dana and I send our love to all the family. I am praying safety for all those who must travel and for comfort in the Lord. I know Dotti would have found peace in her Savior, as the words of the song say, she so believed: “No guilt in life, no fear in death; This is the power of Christ in me; From life’s first cry to final breath. Jesus commands my destiny. No power of hell, no scheme of man, Can ever pluck me from His hand; Till He returns or calls me home, Here in the power of Christ I’ll stand.” A-men.*

“*Dottie always had that smile I will always remember her and Don from when I served under Don in the Service at Andrews. We drifted apart after Don's passing, but would see each other from time to time and she was always smiling. You both will always in my heart.*

“ Aunt Dot was always the brightest star in the room. Her beaming smile always made everyone feel uplifted. I was always grateful that she kept my mother company when she went to Pittsburgh to wait while I was being evaluated for my transplant there. I know how much that helped my mom deal with that stress. I'll always have fond memories of the times our families got together. She'll be greatly missed.
