

## Dorothy Jean Pikulski

November 6, 1941 - May 24, 2025

With profound sadness, we announce the passing of Dorothy Jean Pikulski, 83 after a brief, but brave battle with pancreatic cancer.

Dorothy Jean was born on November 6, 1941, the oldest of three children born to Anthony and Pauline Caroselli.

She grew up in Jeanette, Pennsylvania where she met the love of her life, William Frank Pikulski, Sr.

They started their life together in Maryland and were married on March 7, 1961.

They settled in Charles County, Maryland where they went on to raise three beloved children in a house full of love. They had a wonderful life together where they enjoyed traveling, making memories but most importantly they adored their family and friends. Dorothy and Bill were happily married for nearly 50 years before his passing in 2010.

Dorothy retired from PBI Billing, Inc. as an Billing Staff Supervisor in 2001.

Dorothy's life was enriched by a circle of wonderful friends, with whom she shared countless cherished moments. Regular card games filled with laughter, weekly breakfasts, lots of shopping and a commitment to volunteering. She

approached every activity with enthusiasm and generosity, leaving a lasting impact on those fortunate enough to know her. Her kindness, spirit and unwavering support will be deeply missed by all.

Services will be private. In lieu of flowers please make donations to be made to Hospice or Cancer charities

“ *Sondra, Billy, and Melissa,  
Please accept my deepest condolences on the passing of your mother. She was one of the most selfless individuals I have ever known-kind, thoughtful, and deeply empathetic. More than that, she was a dear friend and a mother figure to many, and her presence will be profoundly missed.  
May she rest in peace with your father and embraced in the eternal comfort of the Lord's house.

“ *Sondra, Billy and Melissa....I am so sorry to lose my dear friend Dorothy . We have known each other for over 60 years, and shared so many fun times together. and watched out kids grow up together... I will miss our frequent phone calls to chat and laugh about the past and when I had to ask her how to cook something. :-)  
She was a great cook and walked me through different dishes. I can still hear her laughing, and now there is this empty spot where I can't call and chat now. Rest in peace Dorothy,, you will surely be missed. My sympathies to her children and grandkids. Carol Alexander*

*Melissa, Sandra and Billy,  
Please accept my deepest condolences on the passing of your Mom.  
She was a dear friend to many. I have so many fond memories of  
working with her in pediatrics and memories of so many rip roaring  
laughs with her....of such crazy things. We always had a big smile and  
warm hug for each other when we ran into each other.  
She will be so missed, but I know she is with her Bill.  
Remember, she is always with you...cherish all of the good memories.  
With Love, Elaine & Gary Vick*
