“ *I had not seen Doug for a few years but passed his house often as I live in Welcome. I grew up in Indian Head one block away from where Doug , Mike and Timmy Case lived. I remember sitting on my bike in front of their house listening to Mike and Doug? play the drums that they had set up in the shed. I also went to school with him through the years and was also a member of the Lackey HS class of 1977. Often thought of stopping by his house when passing by to say Heh but sadly never did. To his family I am so sorry for your loss and may God Bless you and my old friend Doug Case. Rick Bowie , Welcome,MD*

“*Doug is my big Brother. He was a great person, had a wonderful sense of humor and was very talented. When we were children, I was the shy one and Doug never met a stranger. For such a little kid he could carry on an adult conversation that amazed everyone. He was 6 going on 60. I love my Brother and will miss him terribly. He is now in the loving hands of our lord and once again with our Mother, Father and big Brother. He has a fantastic wife and daughter who I love very much. Here's to you Doug. God bless you and rest in piece. Until we meet again.....*”
